

NEWS RELEASE

The NWT Broomball Association would like to encourage all Territorial Sport Organizations (TSO's) to open up their hearts and wallets in support of the horrific tragedy that happened in Southeast Asia.

Tens of thousands of lives have been impacted permanently and the challenges they now face are unlike any we've had to endure. Entire villages and families have been wiped out as I'm sure you are all aware.

The NWT Broomball Association, the Yellowknife Ravens and the Yellowknife Rebels (men & women's all-star teams) have generously donated \$1,000 each to the Canadian Red Cross in Calgary. The Yellowknife ladies broomball league has also contributed \$500.00 towards this relief fund knowing full well the Federal Government will match our contributions if submitted by January 11th, 2005.

NWT Broomball is hoping other TSO's will utilize some of their membership fees and match our combined contributions to the tune of \$3,500.00. If TSO's are unable to match this amount, we are hoping you will reach out to your membership and contribute whatever amount you can afford. We can, and will, make a difference!!

Thank you from all of our members, from the bottom of our hearts.

Jan Vallillee, President
NWT Broomball Association
